STANDARD INFORMATION

Standard Cabinet Features:

- Light **glazing** for all colors
- All **plywood & solid wood** construction
 - **1/2" thick** cabinet sides, tops, & bottoms
 - Interiors are **UV coated birch** veneer plywood
 - Adjustable shelves are **3/4" thick UV birch** plywood
 - Drawer boxes are **5/8" doweled UV birch** plywood
 - Drawer Fronts are **5-piece raised panel**
- Cabinet heights, in conjunction with walls and walls, are designed to allow for attractive crown moulding applications
- Wall cabinets have **2-1/4" top & bottom rails** which allow for under cabinet lighting without light rail moulding, and 2" flat at top allows for moulding.

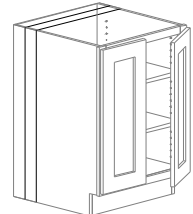

Allowable Cabinet Modifications:

Increase Depth (ID)
(in 3" increments up to 30" deep)

MOD-ID

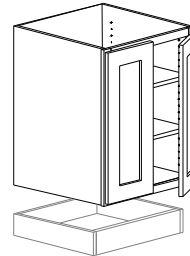

Reduce Depth (RD)
(in 3" increments down to 6" deep)

MOD-RD

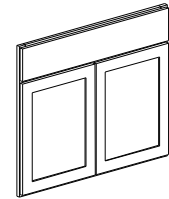

(Drawer Box depth does not change.)

Detached Toe (DT)
